

Dear members,

The DMTC executive committee is pleased to introduce a club ladder competition.

For ease of management it was decided to use the WOTSCORE sport ladder website. An email is required to participate.

The goal of this ladder is to foster friendly competition and provide an easy way for participants to find matches.

Ladder participation is free.

The ladder format is leapfrog which means the winner take the loser's position and everyone below moves down a position.

Match format is best of 3 sets. A different match format is acceptable provided both players agree.

Courts cannot be reserved for matches, participants must play the board.

The initial ranking will be determined by the intraclub Director. He will position the new participants amongst players of similar strength.

This ladder is open to all members and non-members. Matches must be played at the club.

Non-members will have to pay 15\$ guest fees for a day at the club.

Ladder rules are as follows:

You cannot be challenged if your status is set to 'away'.

Challenges expire after 10 days after which it is forfeited, and the challenger wins the match.

The challenger cannot challenge more than 3 places above their position.

Max Simultaneous Challenges: Two up, two down

For any questions please contact the Intra club Director.

Good match !
