

Chers membres du CTMD,

Le comité exécutif a le plaisir d'annoncer la mise sur pied d'une échelle pour le club.

Afin de faciliter la gestion et d'être au gout du jour, nous avons décidé d'utiliser le site web WOTSCORE. Un courriel est requis pour s'y joindre.

Le but de l'échelle est de promouvoir la compétition amicale ainsi que de faciliter l'organisation de matches pour les membres du club.

La participation à l'échelle est gratuite.

Le format de l'échelle est par sauts, c'est-à-dire que le gagnant prend la position du perdant (si classé plus haut) et tous entre les deux descendent d'un échelon.

Le format des matchs est un 2 de 3 set avec bris d'égalité. Un format différent est acceptable pourvu que les deux joueurs soient d'accord.

Les terrains du club ne peuvent pas être réservés pour les matchs, le tableau doit être utilisé.

Le classement initial des nouveaux inscrits sera déterminé par le Directeur Intra club. Les nouveaux participants seront insérés selon leur niveau.

Les membres et non-membres sont admissibles à l'échelle. Les matchs doivent être joués au club.

Les non-membres devront payer des frais d'invités de 15\$ par jour.

Règlements de l'échelle:

Un défi (« challenge ») ne peut être engagé qu'avec les 3 joueurs au-dessus d'une position.

Un défi expire au bout de 10 jours. A ce moment le défiant ("challenger") remportera le match par défaut

Un joueur peut avoir un maximum de 4 défis simultanément, 2 au-dessus et 2 au-dessous.

Si le statut d'un joueur est à « away » il ne peut être mis au défi.

Bon tennis !

Wotscore relies on email to contact you about matches and bookings. Please ensure your email is correct and that messages do not end up in your spam folder. You can usually do this by adding 'support@what-score.com' to your list of email contacts.

The primary correspondence of Wotscore is via email. Please use email providers (for example such as gmail or hotmail) which have increasingly sophisticated spam filters as opposed to your work email which may block wotscore emails. Note: It should be possible to set up redirects to your work email if you prefer.

You can switch off email contact for the various actions at a later time if you do not want to be contacted.
